

Gospel GEMs provides a source of solid Biblical truth to Christians, by providing Great Evangelical Messages (GEMs) from the past. Messages are "preached" by Tony Capoccia and are made available on CDs and MP3s. Tony takes the original texts and lightly updates the English language; however, neither the author's meaning nor intent has been tampered with. Our sincere hope is that you will be both blessed and enriched by these Great Evangelical Messages, and that ultimately Jesus Christ is glorified. **Tony Capoccia** is a graduate of Talbot Theological Seminary, with a Master of Divinity in Bible Exposition. He has ministered over 31 years, providing Bible Bulletin Board (biblebb.com)
